

Friends of the University

Please join us in recruiting great students for the University of Tennessee! Often friends of the University—alumni, members of advisory and governing boards, faculty, and staff—have family members or friends whom they want to make certain UT is contacting and encouraging to apply for admission.

We are initiating a special category of communications for prospective students in this group. We will begin with a letter explaining to the student that he/she has been recommended to us by a "Friend of the University." We will invite the student to visit the campus, apply for admission, ask us questions, etc.

We will be happy to receive nominations for students to include in this special recruitment category at any time. We are interested, of course, in all students, but we most especially request the names and addresses of students who are currently **juniors OR seniors in high school, OR students who are considering transferring to UT from another college or university.**

Please complete the items below and return this form to us at your earliest convenience.

Thank you very much for participating in this new project!
